Dear Bob,

It was a pleasure attending the KSCC Grand Ball as your guests. We appreciate the opportunity to speak to your members about our Association and how your generous donation each year greatly assists individuals living with Spina Bifida in the Delaware Valley.

On behalf of the Spina Bifida Association of the Delaware Valley (SBADV), I would like to express our sincere appreciation for your generous donation of \$10,000. Your continued support to improve the lives of children and adults living with Spina Bifida is heartwarming.

The mission of the SBADV is to promote public awareness of Spina Bifida and to enhance the lives of all affected by Spina Bifida. The SBADV funds numerous programs which include: the purchase of wheelchairs and sports chairs, braces, crutches, van conversions, stair lifts, ramps and medical supplies. We also offer free educational programs, camperships, post secondary education, conference assistance and a support network for our families and adults.

In the fiscal year ending June 2007, SBADV provided more than \$65,000 in financial assistance to families in the Delaware Valley. Please be aware that your generous gift is put to good use in helping more than 200 families in our Association.

In accordance with tax regulations, this letter will serve as a written acknowledgement from the Spina Bifida Association of the Delaware Valley, Inc. that no goods or services were provided in exchange for this donation of \$ 10,000.

Please thank your members and let them know that the continued generosity extended to SBADV by KSCC, is greatly appreciated and certainly never forgotten.

Sincerely,

A handwritten signature in cursive script that reads "Keri Mascaro".
