January 2007

Dear Corvette Enthusiast:

The Keystone State Corvette Club and David Penske Chevrolet are pleased to announce the winner of the Thirty First Annual Corvette Raffle. Congratulations to Lorin Teplitz of Lansdale, Pennsylvania, ticket number 331. Second Place Drawing of \$1,000.00 went to Wayne Hayre, ticket number 635 of Silver Spring MD.

The winning ticket was drawn Saturday night, December 2, 2006 at the Annual Grande Ball. Bruce was overwhelmed when told he was the lucky winner of the beautiful 2007 red coupe. He has been supporting Keystone State Corvette Clubs raffle for years, and finally hit it big. Congratulations once again to Lorin on winning the 2007 Corvette.

Each year it is a great pleasure to donate to a worthy cause. Due to the fantastic support of the raffle, Keystone State Corvette Club was able to donate \$14,000 to Spina Bifida Association of Delaware Valley. Monies donated are used for many purposes such as the purchase of medical supplies, wheelchairs and braces, as well as free educational programs, camperships, and a support network for families and adults. All contributions stay right here in the Delaware Valley to enhance the lives of those individuals living with Spina Bifida.

For the last thirty-one years Keystone State Corvette Club has been one of the top fund raisers in the National Council of Corvette Clubs. We are very proud of this distinction and will strive to retain this standing, thanks to our raffle participants and the work of our club members.

Very truly yours,
Keystone State Corvette Club

Bob Marino, Raffle Chairman
